Friday 15th September 2023

Dear Parents/Carers,

Bikeability course

There is an opportunity for **children in Year 5** to take part in a Bikeability course run by Outspoken Training. The course will run during school time over four consecutive days (**13th – 16th November**), with each pupil receiving 7-8 hours of training. Day 1 is on the school playground and days 2-4 are on local, residential roads. The course is **free of charge**.

Bikeability is the government's national cycle training programme. It helps you learn practical skills and understand how to cycle on today's roads. Bikeability gives everyone the confidence to cycle and enjoy this skill for life and is for all levels of experience.

If you would be interested in your child taking part, please read and complete the attached letter and **return to school by Tuesday 26th September 2023**. There are limited slots available and these will be filled on a first come, first served basis. **To be eligible for a place, your child must have a bike and safety helmet.**

Thanks for your support,

Miss Hannah Archibald
PE Lead
