## Year 1 and 2 Spring Newsletter 2024

Norwich Road Academy School Values

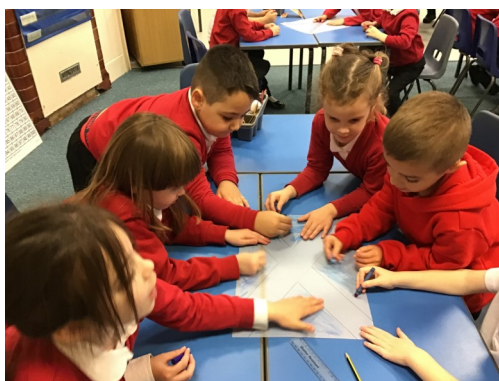

### Welcome back!

Happy New Year! We hope you have all had a lovely break and are 'motivated' to start a new term of learning. 'Motivate' will be our focus value for this half term and we will be discussing ways of motivating each other to be the best learners that we can be!

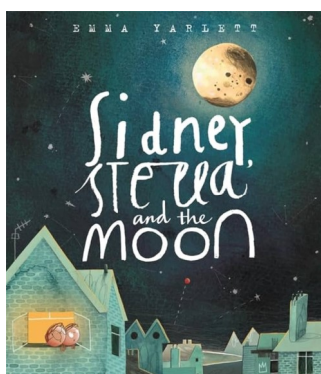

This term we will be studying a range of exciting topics including the UK in Geography, animals in Science and making sock puppets in Design and Technology.

We are beginning to read our new book 'Sidney, Stella and the Moon'. We will be learning how to write a recount in our English lessons based on this text.

In our PE lessons this half term, we will be reviewing some basic skills such as skipping, catching, throwing and balancing. Please remember to arrive in the correct PE uniform on Mondays and Fridays.

We will be continuing our Phonics lessons daily for children in Year 1 and children in Year 2 will be expanding upon their spelling, grammar and comprehension skills.

Please continue to read daily with your child at home and record this in their reading record. Many children are making excellent progress with their reading fluency and we would like to see this continue.

Thank you for your continued support,

Emily Hilder, Pip Overton  
and Kelly Quilter

Please remember that the register is taken daily at 8:45am. It is important to be in school on time every day.
