## Nursery Summer Term 2024

Norwich Road Academy School Values

Welcome to the summer term. This half term our school value is 'Aspire' and our learning in Nursery is based around the theme of 'All Creatures Great and Small'. We will be learning the life cycles of animals and hope to watch caterpillars evolve into butterflies. In our talk for writing work we will be using the text 'Little Red Hen'.

### Last term's learning..

Last term we enjoyed developing our growing garden and learning about the life cycle of a plant. We had a wonderful World Book Day where we joined the whole school in celebrating our love for reading, and ended the term with some wonderful Easter fun and crafternoon.

### We love to learn!

In phonics we will be doing lots of oral blending activities to help develop our pre reading skills.

We continue to do lots of counting and recognising numerals in our environment. Now the weather is hopefully warmer we will also explore capacity and measuring through water play.

### Communication

We are only a Dojo message away. Please let me know if you have any questions or we can provide support in any way.

### Labelling

- Please label your children's clothing. We ask that all children bring a spare set of clothes in a named bag.
- As the weather becomes warmer, please send the children with a sunhat and apply sun cream at home.

### Important Diary Dates

23rd April—Class Photos

6th & 27th May—Bank Holiday

27th-31st May— Half term

22-26th May—Aspiration Week

29th May—2nd June— Half term

### Water

- Please send your child with a named water bottle.

### Attendance

It is really important your child attends each day! We never want your child to miss out on a days learning.
